

STATE SOLO AND ENSEMBLE INFORMATION - PERCUSSION EVENTS ONLY

March 1, 2025 - All times are E.S.T. (Indianapolis time)

Due to continuing construction at North Central High School all percussion events will once again be held at Westfield Middle School 345 West Hoover Street, Westfield Indiana 46074 (please enter from the south entrance).

ENTRANCES & EQUIPMENT

Performers and equipment should be dropped off at Door #12. Once equipment is inside, vehicles must find the appropriate locations to park. Spectators, please use Door #13, and follow signs to the performance rooms. All equipment should use the flow marked on the map going through the cafeteria (warm-up area) and down the north ramp leading to the E600 Hallway. Door #1 is not to be used. **Directional signs will be posted to help with congestion in the hallways and entrance/exit to the performance rooms.**

** Directors, please make sure your parents and students get this information.*

MAPS & PARKING

An aerial shot of our school is included as well as a map of the inside of the school. It is very important that everyone adheres to these directions, so the flow of the event runs smoothly. Parking is available on the south side of the school ONLY. Specific areas that can be used for parking have been indicated on the map.

ALL ISSMA TRAFFIC MUST BE CONTAINED TO THE SOUTH SIDE OF THE BUILDING OFF OF SR 32. RIVERVIEW HEALTH WESTFIELD HOSPITAL IS ON THE CORNER OF SR 32 AND SHAMROCK BLVD.

PERCUSSION WARM-UP:

The Cafeteria is a storage and warm-up area for percussion equipment. ISSMA will be providing practice pads that are to be used by snare drum, drum set, multi percussion, and multi tenor solos for warming up. Practicing without a practice pad is prohibited. Mallet solos, timpani, and percussion ensembles may also warm up briefly in this area. Please limit all warm-up time to no more than 30 minutes prior to the scheduled performance times.

EVENT HEADQUARTERS:

The event headquarters will be in the media center directly adjacent to the warm-up area. Emergency calls can be directed to 317-363-0197(Sarah Rivers) or 317-260-6241 (James Howard) LOST AND FOUND will be located in the Contest headquarters.

COLLEGE AND UNIVERSITY TABLES:

Representatives from a few Colleges and Universities will have tables set up in the Media Hub at the base of the ramps. All performers and guests visiting Westfield Middle School are asked to be mindful of the books, materials, and displays located in the Media Hub, classrooms and along the hallways. Please

PERCUSSION INFORMATION:

Every attempt will be made to provide the following large instruments in the percussion performance rooms:

- Timpani Solo Room-Set of 4 Timpani
- Xylo/Marimba/Vibes Solo Rooms-1 Marimba (4.3 octave)
- Percussion Ensemble Rooms-Set of 4 Timpani, 1 Marimba (4.3 octave), Bass Drum, Xylo, and Vibes.

It is recommended/requested that each school/performer bring their own large instruments. Also remember that all other instruments/equipment for solo and ensemble events (i.e. drum sets, snares, multi tenors, mallet instruments, bass drums, chimes, battery/ auxiliary instruments, sticks, mallets, etc.) are the responsibility of the participating schools/performers.

If you're bringing personal percussion equipment, you must use Door #12, located on the south side of the building.

PERFORMANCE ROOMS:

E800 and E802 rooms will use the ramp closest to Drop-off Door #12. This is a wider ramp and can accommodate the larger marimbas. Please see the routing map showing the performance rooms and flow of the building. E600 will be a 2-way hallway so please keep this hallway clear while waiting to perform.

SCHEDULE CONFLICTS:

No Performance time changes can be made in advance to the published schedule. Minor schedule conflicts can usually be resolved at the performance room on the day of the event. In the event of a conflict, participants must check in with the door monitor as early as possible. Directors, please notify door monitors of any DNA's.

MEDALS:

All performers receiving a GOLD, SILVER, BRONZE, PARTICIPATION, or COMMENT ONLY, should take your comment sheet to the medal table, located just inside Door #12 in the commons area. A "With Distinction" Gold Medal with special gold piping on the ribbon will be award to Percussion Solos receiving an 8.5 pts. or less and Percussion Ensembles receiving a 10.5 pts or less.

Percussion Solo & Ensemble Staging/Performance Process

All percussion soloists wishing to use the cafeteria to warm-up prior to their performance (Event #'s 099, 100, 102, 103, 104, and 105) must check in with the ISSMA Officials at the table located outside the Cafeteria entrance (Warm-up area) to check out a Gladstone pad. These must be returned once the soloist finishes warming up. Warm up time must be limited to within 30 minutes of the scheduled performance time.

In an effort to alleviate congestion and overcrowding in the hallways outside of the Percussion Ensemble Performance rooms (E800, LGI-1), a check in/staging procedure has been instituted for all Percussion Ensemble events (#110, 111, 112, 113, and 115).

The area at the bottom of the ramp by the E600 Hallway will be used as the check in/staging area for ensembles preparing to go to their performance rooms. A representative from each participating ensemble (director, instructor, student member) must check in with the ISSMA Officials at the table located in this staging area **at least 30 minutes** prior to their scheduled performance time. The representative should be prepared to tell the officials the school, ensemble name, event (i.e. Percussion Ens. 3-6, etc...) and time of performance for their ensemble. Each ensemble will receive an entry card and lanyard from the ISSMA Official that will indicate the performance time and staging time for that ensemble. Cards for performance room E800 will be blue and performance room LGI-1 will be green. **No ensemble will be allowed in the staging area or the performance hallway without this card.** Ensembles will be allowed to stage in the area outside the Cafeteria **at the time indicated on the card, no sooner than 20 minutes prior to their performance time.** Ensembles will be released by the ISSMA Official to proceed to the performance room **10 minutes** prior to their scheduled performance time.

Any ensemble not checking in by their assigned performance time will forfeit their spot in the schedule and will have to be worked in at the next available opening by the ISSMA Officials at the check-in table. Any ensemble wishing to perform before their assigned time due to other performance conflicts must report to the check-in table and present their request in writing from the director/instructor to the ISSMA Officials. The Officials will attempt to work that ensemble in at the first available opening. A representative from the ensemble making the early request must stay at the check-in table to insure their availability when an opening occurs.

This procedure establishes a flow where there is an ensemble in each performance room, one in the hallway outside each performance room, and two (one for each performance room) in the staging area in the E100 Hallway at all times to alleviate crowded halls and facilitate traffic flow in and out of the performance area. Door monitors will further facilitate this flow by staying in contact with the ISSMA Officials at the check in table to indicate when a group is finished and leaving the performance room, and when the next one can be released to come to the performance area. Ensembles exiting each performance room should be routed down the main hall to return to the south entrance to the Cafeteria or to Door 12 to exit the building and load. By controlling the traffic closer to the Warm-up area (cafeteria), this will hopefully relieve most of the pressure from the door monitors at the performance rooms and limit the overcrowding in the hallways.

.....

Reminder: All warm-up for percussion ensembles must occur in the Cafeteria only.

Any membraned percussion used in these ensembles (snare, drum set, etc.) need to use Gladstone pads for warm up.

If you need to borrow a pad from ISSMA, they can be signed out from the table inside the gym.
