# Percussion Solo & Ensemble Staging/Performance Process

All percussion soloists wishing to use the cafeteria to warm-up prior to their performance (Event #'s 099, 100, 102, 103, 104, and 105) should report to the ISSMA Officials at the table located outside the cafeteria entrance (Warm-up area) to check out a Gladstone pad. These must be returned once the soloist finishes warming up. Warm up time must be limited to within 30 minutes of the scheduled performance time. Please keep all equipment out of the designated walkway through the cafeteria.

In an effort to alleviate congestion and overcrowding in the hallways outside of the Percussion Ensemble Performance rooms (E800, LGI-1), a check in/staging procedure has been instituted for all Percussion Ensemble events (110, 111, 112, 113, and 115).

All performing ensembles should check-in at the bottom of the ramp by the E600 Hallway. At least 30 minutes prior to their scheduled performance time, a representative from each participating ensemble (director, instructor, student member) should check in with the ISSMA Officials at the table located in this area. Be ready to communicate, your school, ensemble name, event (i.e. Percussion Ens. 3-6, etc...) and time of performance.

Ensembles will be assisted in staging outside their performance room(s) by the ISSMA personnel & the Door Monitors. Ensembles exiting the performance room should be routed down the main hall to return to the south entrance to the cafeteria or to Door 12 to exit the building and load. Once equipment is loaded, vehicles need to park in the designated areas so the curb and drive are clear for use.

.....

- *Reminder: All warm-up for percussion ensembles must occur in the cafeteria only.*
- *Any membraned percussion used (snare, drum set, etc.) need to use Gladstone pads for warm-up.*
- *If you need to borrow a pad from ISSMA, they can be signed out from the table inside the gym.*
