GENERAL SOLO INFORMATION

Thank you for participating in the ISSMA Solo and Ensemble Festival. We appreciate your time and efforts in making the ISSMA Solo and Ensemble Festival part of the educational process.

A Solo Source List and a Key to Publishers have been provided to assist in finding appropriate repertoire for students. The required list for Group I is a collection of songs which cover various levels of vocal difficulty. A single asterisk (*) beside the title designates advanced repertoire. Operatic arias listed have been identified by title and character name to assist in selecting literature appropriate for the student's voice and register.

ISSMA Vocal Solo and Ensemble entries will be based on the voicing of the music and not the gender of the participants.

EVENT 160 – VOCAL SOLO

*** Advanced Repertoire**

KEY: Students may sing in the key best suited to their individual vocal abilities without having to be classified a Soprano, Alto, Tenor, or Bass. Any key available in the single editions or in the collections included on the source list may be used. All vocal literature performed is intended to be sung in the range/register that is standard practice for the specific selection. Group I vocal soloists may not transpose and must perform in the key of the music presented to the adjudicator.

LANGUAGE: Songs must be performed in the language of the text as found on the Required Music List unless otherwise indicated. Compositions titled in English, however, may be sung in a foreign language if printed for optional usage. Operatic arias are to be sung only in the original language, unless otherwise indicated.

ARIAS/RECITATIVES: Song titles for arias indicate the character/role of the opera or oratorio to assist teachers and students in selecting literature. Recitatives are not to be performed, unless otherwise indicated.

SOLO SOURCES: Since copyright holders and publishers frequently change, older editions of the same collection and existing single copies printed by another publisher are permissible. Only composer and/or arranger-edition-revision will need to be comparable.

JUDGE'S SCORE: Soloists will supply the judge with one complete and "legal" copy of music in the key to be performed. All performed measures must be numbered to facilitate judging.

REVISION COMMITTEE

The Indiana State School Music Association gratefully acknowledges the professional efforts of the Vocal Manual Revision Committee and all of the contributors who offered suggestions for this publication. Please note that all lists are arranged alphabetically by song title. This publication contains the required music selections for all Group I vocal solo and ensemble events.
